

Pacific Power Source Statement regarding RoHS Directive

Last updated: 2024-05-22

Pacific Power Source, Inc. (PPS) has the health and safety of our customers, employees, and our environment at the forefront of every product design. PPS strives to comply with all governmental regulations, in addition to PPS internal standards, with respect to the operational, environmental, health and safety aspects of our products.

PPS has issued the following statement about RoHS2 Compliance:

EU RoHS, the European Union Restriction of Hazardous Substances Directive (Directive 2011/65/EU, or "RoHS 2"), restricts the use of certain hazardous substances in electrical or electronic equipment. The Directive was amended by Directive 2015/863/EU, which increased the list of restricted substances from six to ten (the amended version continues to be called "RoHS 2" or "RoHS 2, as amended").

The EU RoHS Directive may be found here:

https://ec.europa.eu/environment/waste/rohs_eee/index_en.htm

Product Declarations related to EU RoHS (Restriction of Hazardous Substances) Directive (Directive 2011/65/EU), as amended. In accordance with Article 4(1) of the RoHS directive for a specific Model or Part Number are available upon request.
